

## WOODFIELD POOL RULES

May 1, 2020

Use of the pool is restricted to Woodfield residents and their guests. The pool shall not be used for business or commercial purposes. Individuals using these facilities who are unknown to any resident will be asked to leave Woodfield. Failure to comply will result in a call

to the Buncombe County Sheriff's office for enforcement of our no trespassing sign. The pool will be open during warmer months from 9:00 AM until DUSK daily except when a "NO SWIMMING" sign is posted on the pool entrance. Everyone on Woodfield property must comply with local, state, and national laws always. These rules are pursuant to the State of North Carolina laws and Buncombe County regulations. For the health and safety of all individuals, the following rules apply to all entering the pool enclosure.

1. Guests must be accompanied by an adult resident.
2. Because there is no lifeguard, individuals will swim at their own risk. Woodfield Association assumes NO responsibility or liability for injury of any kind.
3. For safety reasons, swimming alone is NOT permitted.
4. Swimmers must shower before entering the pool.
5. Incontinent persons must wear swim diapers. All children 3 years old and younger, or any child not potty trained must wear snug fitting plastic pants or water-resistant swim diapers.
6. Individuals 16 years or less must be accompanied by an adult. *Parents/guardians must always have eyes on their children.*

9. No animals are allowed within the fenced area, except for service and assistance animals.

16. **Use of the pool telephone is for emergency notifications. This telephone is for 911 use only.**
17. *Absolutely no hanging on the rope. If you move the rope, please return it before you leave.*
18. *Absolutely no hanging, swinging, lying, or playing on the ladders or any handrails.*
19. *NO WATER BALLOONS! (When balloons rupture rubber scraps get caught in the filtration system and can lead to costly repair.)*
20. *No floats or pool toys should be left at the pool. Bring them with you and take them home when you leave. Items abandoned for more than three days, will automatically be discarded.*
21. *Please do not open umbrellas on windy days. To prevent damage and preserve safety, close umbrellas before leaving the pool.*
22. *Residents are restricted to four (4) guests per unit per day. Exceptions are made for residents who may have family or friends visiting on an occasional basis. When the number of residents plus guests (residents + 4) exceed eight (8) people, that is considered a party and is subject to board approval prior to the planned pool usage.*  
*Violation of these rules will result in a warning letter for a first infraction, and loss of recreational area privileges (and possible fines) for subsequent violations.*
23. *Please DO NOT use pool if you are ill. For the safety of others do not swim if you have experienced diarrhea within the past two weeks.*
24. *No spitting, urinating, nose blowing or water spouting in the pool or deck area.*
25. *Do not swallow pool water.*
26. *Absolutely no foul, profane or offensive language shall be used within or near the pool area.*
27. *Weapons of any kind are strictly prohibited.*
28. *These rules are pursuant to the State of North Carolina Law and requirements.*

**POOL KEYS:** Residents (adults or children) providing pool keys to non-residents may be prohibited from use of Woodfield's recreational area for a period determined by the Board of Directors. Each unit is assigned one (1) pool key. Replacement keys are \$75.00 and are available by contacting a Board member. Residents are responsible for the actions of their guests and must ensure that their guests comply with Woodfield's rules and regulations. Your cooperation is appreciated.

**POOL PARTIES:** Residents wishing to have a pool party (defined as 8, but no more than 24, guests and/or serving of food/drinks) must apply to the Board of Directors two (2) weeks in advance, describing the type of party planned, date, time, approximate ages and number of the attendees, and the responsible adult resident hosting the event. A notice of the party will be posted by the Board in the mail facility one (1) week in advance. Parties are not to be held during national holidays. The resident host will be responsible for any damage to the facilities and must ensure that the area is clean after conclusion of the party. Other residents may use the facilities during the party. Residents and guests attending the party must comply with the rules listed above. Because no lifeguard is present, all persons attending do so at their own risk, and Woodfield Association assumes no responsibility or liability for injury of any kind.
