**DECLARATION OF
COVENANTS, CONDITIONS AND RESTRICTIONS
FOR
QUALLA VILLAGE**

Prepared by: Donald E. Jordan, Attorney

Qualla Village, LLC as "Declarant" or "Developer" is the owner and developer of the real property, "Qualla Village" in Dunns Rock Township, Transylvania County, North Carolina, described in the attached Exhibit "A".

Developer intends to sell and convey lots to be platted within Qualla Village and before doing so, desires to impose upon them mutual and beneficial restrictions, covenants, and charges for the benefit of the future owners of all of the lots in Qualla Village.

Developer declares that all of the lots and parcels in Qualla Village are held and shall be held, conveyed, and used subject to the provisions of this Declaration, all of which are declared and agreed to be in furtherance of a plan for Qualla Village, improvement and sale of the lots. The provisions of this Declaration are intended to create mutual equitable servitudes upon each of the lots in favor of all other lots; to create reciprocal rights between the owners of all lots; to create privity of contract and estate between the owners of such lots; and shall, as to the owner of each such lot, operate as covenants running with the land for the benefit of all other parcels in Qualla Village and their owners, present and future.

ARTICLE 1 - DEFINITIONS

As used in this Declaration and the Bylaws attached, and all Amendments, unless the context otherwise requires, the following definitions shall prevail:

Section 1. Area of Common Responsibility, refers to the common area, together with those areas upon a lot the maintenance, repair or replacement of which is the responsibility of the Association. The area of common responsibility described in this Declaration may not be reduced by amendment to the Declaration or by any other means except with the prior written approval of the Declarant.

Section 2. Association, refers to the association of all owners in Qualla Village, known as Qualla Village Property Owners Association, a North Carolina nonprofit corporation.

Section 3. Articles of Incorporation, or Articles, refers to the Articles of Incorporation of the Association, as filed with the Secretary of the State of North Carolina.

Section 4. Board of Directors, or Board, means the Board of Directors of the Association.

Section 5. Bylaws, means the Bylaws of the Association, attached to this Declaration as Exhibit "B".

Section 6. Common Elements or Common Area, means and includes all real property and all tangible personal property now or later owned by the Association or otherwise held for the common use and enjoyment of the owners. The initial common area to be owned by the Association shall be conveyed to the Association after the construction of improvements on the final residential lots in each phase of Qualla Village.

600424 030555

Section 7. Common Expenses, means and includes: (1) all expenses incident to the administration, maintenance, repair and replacement of the common elements, and any other areas included within the area of common responsibility, after excluding any expenses which are the responsibility of a lot owner; (2) all expenses determined by the Association to be common expenses which shall include the actual and estimated expenses of operating the Association, including any reasonable reserve, all as may be found to be necessary and appropriate by the Board pursuant to this Declaration, the Bylaws and the Articles of Incorporation of the Association; and (3) all sums lawfully assessed against each lot owner by the Association.

Section 8. Eligible Votes, means those votes available to be cast on the issue at hand. A vote which is for any reason suspended is not available to be cast.

Section 9. Lot, means a portion of the Properties other than the common area intended for any type of independent ownership and use as may be set out in this Declaration and as shall be shown on the plats of survey to be filed by the Developer. Where the context indicates or requires, the term "lot" includes any structure on the lot.

Section 10. Majority, means those eligible votes, owners, or other groups as the context may indicate totaling more than fifty percent (50%) of the total eligible number.

Section 11. Member, means and refers to a person or entity entitled to membership in the Association, as provided in this Declaration.

Section 12. Owner, means and refers to one or more persons or entities, including the Declarant, who hold the record title to any lot which is part of the Properties, but excluding in all cases any party holding an interest merely as security for the performance of an obligation. If a lot is sold under a recorded contract of sale, the purchaser (rather than the fee owner) will be considered the owner.

Section 13. Person, means an individual, firm, corporation, partnership, association, trustee, or other legal entity.

Section 14. Voting Member, means the representative of each lot who shall be responsible for casting the vote attributable to the lot which he or she represents for election of directors, amendment of this Declaration or the Bylaws, and other matters provided for in this Declaration and the Bylaws. The registered voter shall be the same as is registered with the Connetsee Falls Property Owners Association.

ARTICLE 2 - LAND USE AND STRUCTURE TYPE

Each lot shall be used for residential purposes only and no trade or business of any kind may be conducted on any lot, except that the Developer may operate an office and one or more model units in Qualla Village while lots are being sold. No modification may be made to the exterior of a building, and no change in the landscaping may be made, without the advance consent of the Association.

ARTICLE 3 - MAINTENANCE OF LOTS

All lots which are subject to these restrictions, whether occupied or unoccupied, and any improvements placed on them, shall at all times be maintained in such manner as to prevent their becoming unsightly, unsanitary or a hazard to health. Commencing in the calendar year 1998, in order to ensure that all lots and common areas which are subject to these restrictions are properly maintained, the Association, shall be responsible for maintaining the grounds in Qualla Village, including all common areas, lawns, shrubbery,

000424

trees and exteriors of all residences in Qualla Village. The Association shall not repair or maintain improvements unique to a particular unit, such as skylights or enclosed porches, as may be determined by the Association. The Association shall have an easement across the grounds of Qualla Village, including each lot, for the purpose of performing its maintenance responsibilities under this Declaration.

ARTICLE 4 - INSURANCE

Section 1. Insurance. The Association's Board of Directors, or its duly authorized agent, shall have the authority to and shall obtain fire and extended coverage hazard insurance, if reasonably available, for all insurable improvements in Qualla Village. If reasonably available, it is anticipated that this insurance shall be in an amount sufficient to cover one hundred (100%) percent of the replacement cost of any repair or reconstruction in the event of damage or destruction from any insured hazard.

If reasonably available, the Board shall also obtain a public liability policy covering the common area, the Association, and its members for damage or injury caused by the activities of the Association or any of its members or agents. The Board shall have the authority to obtain other insurance, such as worker's compensation, excess liability (umbrella) coverage, and directors and officers liability coverage.

Premiums for all insurance shall be included in the general assessment, subject to the special allocation of hazard insurance premiums as is provided below. The policy may contain a reasonable deductible, which amount shall be borne by the individual lot owner in the event of an insured loss. Insurance proceeds shall be held by the Association as Trustee for the benefit of the lot owner or owners, in proportion to the extent of the damage to the building. The affected Lot Owners shall have the power to determine whether to use the insurance proceeds to repair or rebuild the damaged structures. With the Lot Owners' consent, the Association may use the insurance proceeds on behalf of the owners for such repairs or reconstruction. Any insurance proceeds in excess of the cost of repair shall be paid to the affected lot owners, and any shortfall in the amount required shall be paid by the affected lot owner. In the event that a structure is totally destroyed and the Association and both lot owners determine not to rebuild or to reconstruct, the individual owners shall clear the lots of all debris and return them to substantially the natural state which existed prior to the beginning of construction.

Section 2. Individual Insurance. Insurance carried by the Association is not expected to cover personal property. Lot owners may secure such coverage at their own expense.

ARTICLE 5 - QUALLA VILLAGE PROPERTY OWNERS ASSOCIATION

Each owner of a lot situated in Qualla Village shall, upon acquiring ownership of such lot, become a member of Qualla Village Property Owners Association, and be subject to its Bylaws and all of its rules and regulations.

ARTICLE 6 - CONNESTEE FALLS PROPERTY OWNERS ASSOCIATION

Each owner of a lot situated in Qualla Village other than Developer shall, upon acquiring ownership of such lot, be obligated to become a member of Conneestee Falls Property Owners Association, Inc., and be subject to all of its rules and regulations.

000424 000557

ARTICLE 7 - ASSESSMENTS

Section 1. Purpose of Assessment. The assessments shall be used for the general purposes of promoting the recreation, health, safety, welfare, common benefit, and enjoyment of the owners and occupants of lots, as set forth in this Declaration.

Section 2. Creation of Assessments. Each owner of any lot by acceptance of a deed, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association annual assessments. All such assessments, together with late charges, interest, not to exceed the maximum legal rate, costs, and reasonable attorney's fees actually incurred, shall be a charge on the land and shall be a continuing lien upon the lot against which each assessment is made.

Section 3. Payment of Assessments. Each owner of an improved lot which is subject to these restrictions (other than the Developer) shall be obligated, commencing on March 1, 1998, to pay to the Association on or before March 1 of each calendar year the lot owner's prorata share of the estimated cost for the coming fiscal year of performing the maintenance and other responsibilities of the Association. The Developer shall maintain at its expense the exterior of its own units, as well as the common area immediately surrounding them. In addition to an equal share of the maintenance costs, each unit owner (including the Developer) shall on an annual basis pay the owner's share of the cost of hazard insurance. Each owner's share shall be based if possible on the underwriting calculations of the insurance company, and if such calculations are not available, the Association may use the relative fair market value of units, heated square footage, or some other equitable method for apportioning the cost of insurance.

Each assessment, together with interest, costs and reasonable attorney's fees, shall be the personal obligation of the person who was the owner of such lot at the time of the assessment; provided, however, no first mortgagee who obtains title to a lot pursuant to the remedies provided in the mortgage shall be liable for unpaid assessments which accrued prior to such acquisition of title. Assessments shall be paid in the manner and on the dates fixed by the Board of Directors.

The Association is specifically authorized to enter into contracts with Declarant or other entities for the payment of some portion of the Common Expenses. Such contract or contracts shall be for the benefit of and enforceable by the Association and its members.

Section 4. Subordination of the Lien to First Deeds of Trust and First Mortgages. The sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to judicial or nonjudicial foreclosure of a first priority deed of trust or mortgage shall extinguish the lien of such assessments as to payment which became due prior to such sale or transfer. No sale or transfer shall relieve such lot from lien rights for any assessments thereafter becoming due.

Section 5. Date of Commencement of Annual Assessments. The annual assessments shall commence as to each lot on the first day of the month following the completion of construction of permanent improvements on the Lot, prorated according to the number of months then remaining in that fiscal year.

Section 6. Exempt Property. All common area shall be exempt from payment of general assessments, special assessments and all other assessments.

Section 7. Failure to Assess. The omission or failure of the Board to fix the assessment amounts or rates or to deliver or mail to each owner an assessment notice shall not be deemed a waiver, modification, or a release of any owner from the obligation to pay

000424
000558

assessments. In such event, each owner shall continue to pay annual assessments on the same basis as for the last year for which an assessment was made until a new assessment is made, at which time any shortfalls in collections may be assessed retroactively by the Association.

ARTICLE 8 - TERM

All of the restrictions, conditions, covenants, charges, easements and agreements contained in this Declaration shall run with the land and be binding on all parties and all persons claiming under them in perpetuity.

ARTICLE 9 - AMENDMENT

These restrictions may be amended at any time by a vote of a majority of all Lot owners. Any amendment shall be documented by the recordation in the office of the Register of Deeds for Transylvania County, North Carolina, of a written amendment to these restrictions with a certification from the Secretary of the Association as to the adoption of the Amendment.

ARTICLE 10 - ENFORCEMENT

Developer and each person to whose benefit these restrictions inure, including the Association, and other lot owners in Qualla Village, may proceed at law or in equity against any person or other legal entity violating or attempting to violate any provisions of these restrictions, either to restrain violation, to recover damages, or both.

ARTICLE 11 - SEVERABILITY

Invalidation of any one of these restrictions by judgment or court order shall not in any way affect any of the other provisions, which shall remain in full force and effect.

ARTICLE 12 - OWNER'S EASEMENTS

Each Lot owner shall have an easement for access and utility purposes over the common area for a driveway to connect the Lot to the Connestee Falls road system. Lot owners shall also have an easement for the use and enjoyment of the common area, subject to regulation by the Board. The Board shall have the power to deal with the common area in any manner it considers appropriate. Each Lot owner shall have an easement for any minor (less than three feet) encroachments of a building onto the common area, and for a minor encroachment onto the adjoining lot of the common wall separating the two units of a building.
