ARTICLE V
COVENANT FOR MAINTENANCE ASSESSMENTS

SECTION 1. CREATION OF THE LIEN AND PERSONAL OBLIGATION OF ASSESSMENTS. The Declarant hereby covenants and each Owner of a Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association annual and special assessments to be established and collected as hereinafter provided. The Declarant shall bear the responsibility of maintenance of all Lots and all the Common Elements owned by the Declarant from the time of the recording of these Restrictive Covenants. Upon the conveyance of a Lot to an Owner other than the Declarant, such Owner shall assume the obligation of maintenance of the Lot(s) conveyed. The Association shall thereafter be obligated to maintain the Common Elements so conveyed.

Assessments, together with interest, costs and reasonable attorney fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney fees, shall be the personal obligation of the person or entity who was the Owner of a Lot at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

SECTION 2. INITIAL ASSESSMENT. In order to create a reserve fund for the Association, the Association shall collect at each closing of the sale of a Dwelling from Windsor/Aughtry Company, Inc. to the first purchaser of the Dwelling, an Initial Assessment of twenty-five dollars and no/100 (\$25.00) which assessment shall be paid by the purchaser to the Association and deposited in its general account.

SECTION 3. PURPOSE OF ASSESSMENTS. The assessments levied by the Association shall be used to maintain Common Elements, including, but not limited to, the cost of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision, procurement and maintenance of insurance related to the Common Elements, their facilities and use in accordance with the Bylaws, the employment of attorneys to represent the Association when necessary, and such other needs as may arise. Any assessment charged and collected shall relate to the cost of maintenance of the Common Elements and those costs associated with such maintenance and shall include a reserve fund in reasonable amount in anticipation of such costs.

SECTION 4. PAYMENT OF ANNUAL ASSESSMENTS; DUE DATES. Each Owner of a Lot shall pay to the Association annual assessments levied by the Association ("the Annual Assessments") as follows:

A. The Annual Assessment provided for herein for any Lot shall become binding on the Owner of a Completed Residential Structure and commence upon the earlier of the two following occurrences: (a) the sale of a Lot from the Declarant to a third-party purchaser other than Windsor/Aughtry Company, Inc. ; or (b) ninety (90) days after the issuance of a certificate of occupancy by Buncombe County or the governmental entity with jurisdiction to issue such certificates of occupancy for residential structures within RIVER WALK.

Provided, however, that if such third-party purchaser referenced above in Section 4, Paragraph A., is the Windsor/Aughtry Company, Inc., the Annual Assessment provided for herein shall not be commence until thirty (30) days after the issuance of a certificate of occupancy by Buncombe County or the governmental entity with jurisdiction to issue such certificates of occupancy for residential structures within RIVER WALK.

B. Subject to paragraph A. above, the Annual Assessments for each Lot shall be collected monthly and shall be due and payable on the first day of each calendar month. Provided, however, that the Board, in its sole discretion and without the approval or consent of any Association Member or Owner, may provide that Annual Assessments be paid in installments other than monthly (i.e., quarterly, semi-annually, annually). Upon such decision by the Board, such Annual Assessments will be paid in the manner prescribed by the Board.

SECTION 5. AMOUNT OF ANNUAL ASSESSMENTS.

A. The Board shall annually prepare a budget (the "Annual Budget") which shall depict the estimated costs of operating the Association for the coming calendar year.

B. The initial Annual Budget has been set by Declarant. The Annual Assessments based upon such initial Annual Budget shall be \$150.00 per Lot owned by any Owner. This amount shall be the Annual Assessment until January 1, 2008. After such date, the Annual Assessments shall be established by the Board pursuant to this Section.

C. The Annual Assessment for each Lot shall be established as follows:

1. For calendar year 2006 and for all years thereafter prior the termination of the Declarant Control Period, the Board may, by a vote by the Board pursuant to the Bylaws and without the vote of the Association Members, may increase the Annual Assessments for each Lot by a maximum of ten percent (10%) of the previous year's Annual Assessment.

2. For each calendar year after the termination of the Declarant Control Period, the Board shall prepare a proposed Annual Budget. Such proposed Annual Budget or a summary thereof and a notice of a meeting for ratification of such proposed Annual Budget shall be provided to all Association Members within thirty (30) days of such meeting. The notice shall be sent not less than ten (10) days nor more than sixty (60) days prior to the date of such meeting and shall include a statement that such Annual Budget may be ratified without a quorum, which is not necessary for ratification of such proposed Annual Budget. Such Annual Budget is ratified unless at such meeting a majority of the Association Members reject such Annual Budget. If the Annual Budget is rejected, the most recent budget ratified by the Association Members, including the initial Annual Budget, shall be continued until a new Annual Budget is ratified by the Association Members. The Board shall set the amount of the Annual Assessment based upon the Annual Budget.

D. At least thirty (30) days prior to each Annual Assessment period, the Board shall establish the amount of the Annual Assessment for each Lot and send written notice thereof to each Lot Owner. The Association shall, upon demand and for a reasonable charge, furnish a certificate signed by an officer of the Association stating whether the Annual Assessment for a specific Lot has been paid.

SECTION 6. UNIFORM RATE OF ASSESSMENT. Subject to Section 4, assessments must be fixed at a uniform rate for all Lots, except for the special assessments provided for in Section 10 of this Article or if one of the exceptions listed in Section 3-115(c) of the Act applies. The amount of the annual assessment shall not increase more than seven percent (7%) in any calendar year, unless the increase is approved by the Lot Owners at a special meeting of the members called for such purpose.

SECTION 7. EFFECT OF NONPAYMENT OF ASSESSMENTS: REMEDIES OF THE ASSOCIATION. Any assessment not paid within thirty (30) days of the due date shall bear interest from the due date at a rate of eight (8%) per cent per annum. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose its lien against the Lot against which the delinquent

assessment has been levied. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of Common Elements or abandonment of his Lot.

SECTION 8. SUBORDINATION OF THE LIEN TO MORTGAGES. The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage or deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. The sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. Nothing herein shall prevent and any mortgagee may, at its option, pay any delinquent obligations of an Owner. The Association shall notify by registered mail, return receipt requested, any mortgagee of any delinquency or default in the presence of any obligations of an Owner prior to taking any action against such Owner which would affect the mortgagee.

SECTION 9. SPECIAL ASSESSMENTS FOR CAPITAL IMPROVEMENTS. In addition to the Annual Assessments, the Association may levy a special assessment for payment of a repair, replacement or improvement upon the Common Elements. Such special assessment must have the approval of two-thirds (2/3) of the votes of each class of members who are voting at a meeting duly called and noticed for this particular purpose.

SECTION 10. SPECIAL INDIVIDUAL ASSESSMENTS. The Board may levy special assessments against individual Owners (i) for the repair, construction, reconstruction, or replacement of any damaged area or component of the Common Elements when such damage is a result of the acts of the Owner or the Owner's agent or (ii) for the payment of fines, penalties or other charges imposed against an Owner as a result of such Owner's failure to comply with the terms contained herein, the Bylaws or any rules and regulations promulgated thereunder. Provided, however, Declarant shall not be obligated to pay any Special Individual Assessments except with Declarant's prior written approval. The Board shall establish the payment due date for any such special assessment within the Board resolution authorizing such special assessment. Upon establishment of such special assessment, the Board shall send written notice of the amount and due date of the special assessment to the affected Owner or Owners at least thirty (30) days prior to the due date of such special assessment. Such special assessments referred to herein may only be levied against those Owners of Lots upon which a completed residential structure has been constructed and may not be levied against an Owner or Owners of an unimproved Lot.

SECTION 11. EXEMPT PROPERTY. All property donated or dedicated to, and accepted by, a public authority or charitable or non-profit organization exempt from taxation by the State of North Carolina shall be exempt from the assessments herein described. Except, however, no land or improvements used as a Dwelling shall be so exempt from such assessments.

ARTICLE VI
ARCHITECTURAL CONTROL

SECTION 1. ARCHITECTURAL COMMITTEE. Upon the formation of the Association as provided for herein, an architectural review committee (the "ARC") shall be organized by the Board. The ARC shall consist of three (3) members, at least one of whom at all times shall be designated by the Declarant. The remaining two (2) members shall be appointed by the Board. During the Declarant Control Period, the Declarant shall appoint the members of the ARC. The terms of all ARC members shall be for two (2) years; provided, however, that the terms of those elected by the Board shall be staggered such that the terms of two (2) members of the ARC shall expire each year. The ARC shall select its own chair, who shall call meetings of the ARC by providing at least twenty-four (24) hours notice to each member of the ARC. A quorum of the ARC shall consist of a majority of its members and a majority of such members at a meeting

where a quorum is present may act. All other workings and organizational matters of the ARC will be determined by the ARC.

SECTION 2. APPROVAL OF PLANS AND SPECIFICATIONS. No building, fence, wall, deck, mailbox or other structure shall be commenced, erected or maintained within RIVER WALK, nor shall any exterior addition to or change or alteration, including but not limited to any planting or landscaping on any Lot, therein be made until the plans and specifications shall have been submitted and approved in writing by the Association.

The Association shall have the right to charge a reasonable fee for receiving each application for approval of plans and specifications in an amount not to exceed Fifty and No/100 Dollars (\$50.00). All proposed plans and specifications must first be submitted to the ARC which shall review such plans. If within thirty (30) days after its receipt of such plans and specifications contained in an Owner's application, the ARC does not give such owner written notice of disapproval and reasons therefor, the plans and specifications shall be deemed to be approved. Refusal of any plans or specifications by the ARC shall be based on lack of conformity to the published Architectural Standards or upon a determination by the ARC that the planned improvement is likely to cause a violation of the restrictions contained herein. The ARC must, however,, state in writing the reasons for any such refusal. Upon giving approval to such plans and specifications, the Owner shall be obligated to begin construction and complete the same in conformity with such plans as have been previously approved by the ARC, and the ARC shall be entitled to stop, through injunction or other legal means, any construction which is in violation of these restrictions.

Provided, however, all plans for construction for Windsor/Aughtry Company, Inc. shall not require approval by any ARC or Declarant herein.

SECTION 3. MAINTENANCE. The Association shall maintain the Common Elements. Each Owner shall be responsible for the exterior maintenance of his or her Dwelling and Lot, including but not limited to all landscaping, sidewalks, improvements and buildings. The Association shall have the power, upon the recommendation of the Board or upon its own initiative, to perform exterior maintenance on an Owner's Lot or Dwelling if such Owner has been negligent or failed to maintain such Lot and/or exterior of his or her Dwelling in a manner consistent with other Lots and Dwellings in RIVER WALK. Provided, however, that the Association shall first give written notice to the Owner of the specific items of maintenance the Association intends to perform. Such Owner shall thereafter have forty-five (45) days from the date of such notice within which to perform such exterior maintenance. While the determination as to whether an Owner has neglected or failed to maintain his or her Dwelling in a manner consistent with the other Dwellings in RIVER WALK shall be made by the Association, the Association shall take into consideration all recommendations of the Board. Any determination by the Association that an Owner has neglected or failed to maintain his or her Dwelling in a manner consistent with the other Dwellings within RIVER WALK shall be made in good faith.

The Association hereby reserves the right to unobstructed access over and upon each Lot at all reasonable times to perform exterior maintenance as provided for herein. In the event that the Association performs such exterior maintenance, the cost of such maintenance shall be added to and become part of the assessment to which such Lot is subject.

SECTION 4. LIMITATION OF LIABILITY. Neither the Board, the Association, the ARC nor any representative or representatives thereof, including their successors and assigns, shall be liable to anyone submitting plans and specifications for approval, or to any Owner, arising out of or in connection with the approval, disapproval or failure to approve any such plans and specifications. Every person, corporation, partnership or other entity that submits plans and specifications to the Board, Association or ARC for approval agrees that by such act, and every Owner agrees by acquiring legal title to any Lot or any interest therein, it will not bring any action, proceeding or suit against the Board, the Association, the ARC or any representative thereof to recover any such damages. The approval of any such plans and specifications shall be given solely to protect the appearance of the Property, and shall not be in any way deemed a warranty,

representation or covenant that the proposed work complies with any applicable laws, rules or regulations or any standard of care regarding structural design and construction.

ARTICLE VII
PROTECTIVE COVENANTS

SECTION 1. RESIDENTIAL USE AND RENTAL OF LOTS. All Lots shall be used, improved and devoted exclusively to single-family residential use. No trade or business shall be carried on upon any Lot, but this restriction shall not prohibit a home occupation which does not unreasonably increase traffic or cause any noxious or offensive activity within RIVER WALK. No structure, except as herein stated, shall be constructed upon any Lot other than one (1) single-family Dwelling. Provided, however, Declarant or any successor Declarant may construct and use a structure on any Lot as a model for sales purposes or construction office.

SECTION 2. BUILDING SETBACK. No building or structure shall be located on any Lot nearer to the front line or nearer to the side street line than the minimum building setback lines as shown on the Plat. In any event, no building or structure shall be located nearer than fifteen (15) feet from the edge of the front street line, or nearer than seven and one-half (7 ½) feet to any side street line, or nearer than ten (10) feet to the rear Lot line. No building shall be located nearer than five (5) feet to any interior Lot line. The Declarant reserves the right, in its discretion, to waive violations of this section by recording in the Office of the Register of Deeds for Buncombe County a written waiver of the violation, when, in the opinion of the Declarant the violation was unintentional or caused by some unavoidable condition of the Lot in question.

SECTION 3. NUISANCES. No noxious or offensive activities shall be conducted upon any Lot, nor shall anything be done thereon which may become an annoyance or nuisance to the neighborhood. No plant, animal, device or thing of any sort whose normal use or existence is in any way noxious, dangerous, unsightly, unpleasant or of a nature as may diminish or destroy the enjoyment of other property in RIVER WALK by the Lot Owners, tenants and guests thereof may be maintained.

SECTION 4. ANIMALS. Generally recognized house pets, in reasonable numbers, may be kept and maintained at a Lot, provided such pets are not kept or maintained for commercial purposes. All pets must be kept under the control of their Owner when they are outside the occupant's Dwelling and must not become a nuisance to other residents at any time. The keeping of pets shall be subject to reasonable rules and regulations promulgated and published by the Association, which rules and regulations may limit the weight of pets and prohibit dogs which are generally recognized as dangerous. Specifically, no Rottweilers or pit bulls are allowed within RIVER WALK. All animal waste must be contained and disposed of by the owner of such animal. All pets must always be current on all vaccinations and medications, including, but not limited to rabies vaccines, flea and tick prevention. Each Owner shall be responsible for any damage done by his/her pet to the landscaping or improvements on any Lot. No pet may be tied or otherwise attached to any Dwelling at any time nor may any pet be left unattended. No livestock, poultry or animals other than dogs, cats or other common household pets may be kept or maintained within RIVER WALK.

SECTION 5. PARKING AND MOTOR VEHICLES. No parking of unlicensed, uninspected or non-operable vehicles shall be allowed on any Lot outside a Dwelling. Except for emergency repairs, no person shall repair, restore or store any vehicle, boat, trailer or recreational vehicle upon any Lot outside a Dwelling. No boats, motor homes, travel trailers or other recreational vehicles may be stored upon any Lot for more than three (3) consecutive days unless the same is within an enclosed garage.

All motor vehicles shall be maintained in proper operating condition so as not to be a nuisance by noise, exhaust emissions or otherwise. No motor vehicles shall be driven on pathways, unpaved Common Elements, or roadway shoulders within RIVER WALK.

SECTION 6. OUTSIDE ANTENNAE. No outside radio or television antennae or satellite dishes shall be erected on any Lot, except as approved in writing by the Association. Satellite dishes of no more than twenty-four (24) inches in diameter will be allowed within RIVER WALK.

SECTION 7. TRASH RECEPTACLES. All trash shall be kept only in trash receptacles and in areas upon a Lot that are not visible from any street, other Lot or Common Element. No dumping of trash, garbage, sewage, sawdust or other waste shall be allowed and no unsightly or offensive material shall be placed upon the Common Elements, except as is temporary and incidental to the bona fide improvement of the area as a Common Elements.

SECTION 8. SIGNS. No permanent signs of any kind shall be displayed to the public view on any Lot. After occupancy, a sign of not more than five square feet advertising the property for sale or rent shall be allowed upon a Lot. Nothing in this paragraph shall be construed to prevent the Declarant from erecting entrance display signs or signs designed to designate areas within RIVER WALK, including street signs. Declarant shall be allowed to post "For Sale," "Open House," "Model" and other signs at any location until all Lots are sold.

SECTION 9. FENCES. Barbed, chicken wire or any similar fencing shall not be permitted on any Lot. All proposed fences must comply with the Fence Requirements as set forth by Declarant and attached hereto as **Exhibit B**. Compliance of the Fence Requirements shall not relieve the Owner of compliance with Article VI above.

SECTION 10. TEMPORARY STRUCTURES. No improvement or structure of a temporary nature shall be erected or allowed on any Lot or the Common Elements unless and until permission for the same has been granted by the Association. No outdoor clothes lines shall be permitted to be erected or allowed on any Lot.

SECTION 11. USE OF COMMON ELEMENTS. The Common Elements shall not be used in any manner except as shall be approved or permitted by the Association; provided, however, that so long as Declarant owns any portion of the Property, Declarant shall have the exclusive right to use any portion of the Common Elements for sales purposes, including but not limited to any promotional activities. The establishment of the Common Elements does not grant in any way to the public or to any adjacent or surrounding landowners the right to enter upon or use such Common Elements without the express written consent of the Declarant or the Association. The establishment of Common Elements does not in any way place an affirmative burden upon the Declarant to provide for any particular improvements or to extend to any Owner any service of any kind.

SECTION 12. ACCESS TO LOTS. The Association, its agents and employees shall have access to each Lot during reasonable working hours, upon oral or written notice to the Owner, as may be necessary for the maintenance, repair or replacement of any portion of the Common Elements, or facilities situated upon any Lot that serve such Lot or another Owner's Lot. Declarant reserves unto itself, its successors and assigns the right to go onto, over and under the Property to erect, maintain and use all equipment necessary for the conveyance and use of all utilities or public conveniences in the Common Elements. This reservation and right expressly includes the right to cut trees, bushes or shrubbery, grade the soil, or take any other similar action reasonably necessary to provide economical and safe utility installation and to maintain reasonable standards of health, safety and appearance. Declarant further reserves the right to locate wells, pumping stations and tanks within the Common Elements. Such rights may be exercised by any licensee or employee of the Declarant, but this reservation shall not be construed as an obligation of the Declarant to provide or maintain any such utility or service. Where the Declarant is allowed by these Restrictive Covenants to enter any Lot or Common Elements to provide any service to the Property, the act of entering the Property and taking any such action shall not be deemed a breach of these Restrictive Covenants by Declarant

SECTION 13. PLUMBING. All plumbing, dishwashers, toilets and sewage disposal systems shall be connected to the central sewer system available to the Lot and all water shall be supplied by any central water service available to the Lot.

SECTION 14. MAINTENANCE AND LANDSCAPING. All Owners shall keep their Lots, whether occupied or unoccupied, free of all trash, rubbish, and debris and shall keep all Lots in a neat and attractive condition. All improvements erected on Lots shall be maintained in a clean, neat and orderly condition and in a good state of maintenance and repair. The Association shall be exclusively responsible for the installation, planting and maintenance of all landscaping within the Common Elements.

SECTION 15. ACCESS. There shall be no vehicular access to any Lot except from designated roads lying within the Common Elements as shown on the Plat.

SECTION 16. HUNTING PROHIBITED. The hunting of birds or animals within the Property or from the Property is prohibited.

SECTION 17. NO ABOVE GROUND POOLS. No above ground swimming pools may be installed, placed or erected upon any Lot.

SECTION 18. FUEL TANKS OR CONTAINERS. All fuel tanks or oil tanks or containers shall be enclosed within a structure, in a manner consistent with normal safety precautions, and no fuel tank or container may be installed *within or under a Lot or buried underground* without the express written consent of the Association.

SECTION 19. RECONSTRUCTION. Any building on any Lot which is destroyed in whole or in part by fire, windstorm, flood or any other act of God or by an intentional act must be rebuilt, or all debris from such building removed and the Lot restored to the condition it was in prior to commencement of any construction thereon with reasonable promptness; provided, however, that any such reconstruction must be commenced within six (6) months from the date of such destruction or if no reconstruction is to occur, then all such debris must be removed and the Lot restored to its prior condition within six (6) months of such destruction.

SECTION 20. SUBDIVISION. No Lot shall be subdivided or its boundary lines changed without the written consent of Declarant. Declarant hereby reserves unto itself, its successors and assigns, the right to replat any Lots shown on the Plat provided that no Lot originally shown on the Plat is reduced by more than twenty percent (20%) of its original size.

SECTION 21. LEASING. Any Completed Residential Structure on any Lot may be leased so long as: (a) such lease is for a term of at least twelve (12) consecutive months; and (b) use of the Lot by the tenant of a lease shall be in conformity with these Restrictive Covenants and the By-Laws, Rules and Regulations of the Association.

SECTION 22. HAZARDOUS ACTIVITIES. Nothing shall be done or kept on any Lot or in any Common Element which will increase the rate of insurance on the Common Elements or any other Lot or which would be in violation of any law, ordinance, regulation or similar rule without the prior written consent of the Association and Lot Owner. No Owner shall permit anything to be done or kept on his or her Lot or in the Common Elements which would result in the cancellation of insurance or increase in insurance premiums on any part of the Common Elements, or which would be in violation of any law, ordinance, regulation or similar rule.

SECTION 23. REGULATIONS. Reasonable regulations governing the use of the Common Elements and external appearance of all structures located upon all Lots may be made and amended by the

Association; provided, however, that all such regulations and amendments thereto shall be approved by a majority vote of the Owners before the same shall become effective. Copies of such regulations and any amendments thereto shall be furnished to each Owner by the Association upon request. Notwithstanding the foregoing language, prior to the termination of the Declarant Control Period, the Association shall pass no regulations under this Section without the express written consent of the Declarant.

SECTION 24. CONSTRUCTION DAMAGE. It shall be the obligation of the Owner of a Lot to repair any damage to curbs, guttering, paving, water lines, electric lines, or any other improvements within RIVER WALK which occurs during the period of construction and is caused by contractors or subcontractors involved in construction on the Owner's Lot. In case of any such damage to improvements, the Declarant or the Association may immediately take such action as is necessary to repair such damage; the Owner of the Lot shall, within thirty (30) days, reimburse the Declarant for the cost of such repair. The Owner of such Lot is similarly responsible for proper removal of any trash or debris which is a result of such construction which is located on such Lot. Notwithstanding the above, the provisions of this paragraph apply to any Lot Owner and not the Declarant.

SECTION 25. COMPLIANCE. In the event that the Owner of any Lot fails to comply with any of the restrictions set forth in this Article or any rule or regulation promulgated by the Association, the Association shall have the right to enter any Lot and undertake any necessary action in order to cure such Owner's noncompliance. All expense and costs incurred by the Association in curing such noncompliance shall be charged to the noncomplying Owner and shall be payable by such Owner to the Association immediately upon demand.

SECTION 26. EROSION CONTROL. The Owner of any Lot shall, by acceptance of a deed for a Lot, be obligated to provide adequate erosion control measures as a part of the construction process in order to minimize siltation or erosion of areas outside the Lot of such Owner. It shall be the duty of such Owner to design and execute such control measures so as to avoid damage to adjoining Lots or properties. If such Owner has not provided adequate control measures which comply with applicable erosion control regulations, or if the Owner is in violation of this Section, Declarant may, after five days written notice to such Owner, perform such measures, in which case the Owner agrees to reimburse Declarant within thirty days the cost of such control measures performed by the Declarant. Notwithstanding the above, the provisions of this paragraph apply to any Lot Owner and not the Declarant.

SECTION 27. DRAINAGE. The Owner of any Lot shall not, by acceptance of a deed for a Lot, perform any act which will impede the water drainage for such Lot or any other Lot within RIVER WALK. It shall be the duty of all Owners to refrain from constructing, placing or planting any structure, plant or other object that impedes the proper water drainage upon the Lots within RIVER WALK.

ARTICLE VIII
INSURANCE

Each Owner shall secure and maintain in full force and effect at such Owner's expense one or more insurance policies insuring Owner's improvements for the full replacement value thereof against loss or damage from all hazards and risks normally covered by a standard "Extended Coverage" insurance policy, including fire and lightning, vandalism and malicious mischief.

**ARTICLE IX
EASEMENTS**

SECTION 1. EASEMENTS RESERVED BY DECLARANT. Declarant reserves easements for the installation and maintenance of driveways, walkways, parking areas, water lines, telephone lines, electric power lines, cable lines, sanitary sewer and storm drainage facilities, pumping and lift stations, drainage ditches and all other utility installations and maintenance over the Property and Common Elements. Declarant also specifically reserves a three (3) foot easement along the side Lot line of each Lot and a five (5) foot easement along the rear Lot line of each Lot. Each Owner, by his acceptance of a deed from Declarant for a Lot, and the Association by its acceptance of a deed from Declarant for the Common Elements, acknowledges such reservations and the rights of Declarant to transfer such easements to the Association or to such utility companies or public service companies as Declarant might choose. The easements reserved by the Declarant include the right to cut any trees, bushes or shrubbery, make any grading of the soil, or take any similar action reasonably necessary to provide economical utility installation and to maintain the overall appearance of RIVER WALK. Certain easements reserved by the Declarant and the Association are as shown on the Plat. Within any such easements, no structure, planting or other material shall be placed or permitted to remain which may interfere with the installation of sewerage disposal facilities and utilities, or which may change the direction of flow or drainage channels in the easements or which may obstruct or retard the flow of water through drainage channels in the easements. In addition, the Declarant and the Association shall have the continuing right and easement to maintain all sewer and water lines located on the Lots and Common Elements, including the right to go into a Dwelling and disturb the same in order to maintain those lines located within or under said Dwelling.

SECTION 2. EASEMENT FOR LANDSCAPING. The Association is hereby granted an exclusive easement for the purpose of landscaping all Common Elements, in the sole discretion of the Association. Provided, however, that until the termination of the Declarant Control Period, the Declarant shall also have such an easement to exercise in the sole discretion of the Declarant.

SECTION 3. EASEMENT FOR SCREENING. Declarant reserves the right and easement to erect permanent walls on the Common Elements and Lots for the purposes of providing screening, privacy, decoration, retainage and topographical stability in connection with the overall plan for development of the Property.

**ARTICLE X
OBLIGATIONS TO MORTGAGEES**

The following provisions are established for the benefit of the holders of mortgages (the definition of mortgage to include deeds of trust or other security instruments) encumbering any Lots located within RIVER WALK:

A. The Association shall be obligated to notify the holder of any first mortgage on a Lot, upon request of such holder, of any default by the Lot Owner in the performance of any of such Owner's obligations described herein (including failure to pay assessments as and when due) which is not cured within sixty (60) days from the date of such default.

B. Written notice by the Association shall be sent, upon request, to the holder of all first mortgages encumbering any of the Lots located within RIVER WALK setting forth the purpose of the meeting not less than thirty (30) days in advance of any meeting being called for the purpose of amending, extending or renewing any of the provisions of these Restrictive Covenants or the Articles of Incorporation or Bylaws of the Association. No such amendment, extension or renewal shall alter, modify, change or rescind any right, title, interest or privilege herein granted or accorded to the holder of any mortgage encumbering any Lot located within RIVER WALK unless such mortgage holder shall consent thereto in writing.

C. Unless at least two-thirds (2/3) of the first mortgagees (based upon one vote for each first mortgage owned) and Owners (other than the Declarant) of the Lots in RIVER WALK have given their prior written approval, the Association shall not be entitled to:

- (1) by act or omission seek to abandon, partition, subdivide, encumber, sell or transfer the Common Elements owned, directly or indirectly, by the Association for the benefit of the Lots in RIVER WALK. The granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Elements by the Association shall not be deemed a transfer within the meaning of this paragraph;
- (2) change the method of determining the obligations, assessments, dues or other charges which may be levied against a Lot Owner;
- (3) by act or omission change, waive or abandon any scheme of regulations, or enforcement thereof, pertaining to the architectural design or the exterior appearance of Lots, the maintenance of the Common Elements, or the upkeep of lawns and plantings in RIVER WALK;
- (4) fail to maintain fire and extended coverage on insurable Common Elements on a current replacement cost basis in an amount not less than one hundred per cent (100%) of the insurable value (based on current replacement cost); and
- (5) use hazard insurance proceeds for losses to any Common Elements for other than the repair, replacement or reconstruction of such Common Elements.

D. First mortgagees of Lots may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any of the Common Elements and may pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for such Common Elements and first mortgagees making such payments shall be owed immediate reimbursement therefor from the Association. Entitlement to such reimbursement shall be reflected in an agreement in favor of all first mortgagees of Lots in RIVER WALK duly executed by the Association, and an original or certified copy of such agreement shall be furnished to Declarant.

E. No provision shall be construed to give a Lot Owner or any other party priority over any rights of first mortgagees of Lots in RIVER WALK pursuant to their mortgages in the case of a distribution to Lot Owners of insurance proceeds or condemnation awards for losses to or a taking of Common Elements.

ARTICLE XI
GENERAL PROVISIONS

SECTION 1. DURATION. The covenants, restrictions, easements and all other controls contained in these Restrictive Covenants shall run with and bind the properties which are made subject hereto for a period of twenty (20) years from the date these Restrictive Covenants are recorded in the Office of the Register of Deeds for Buncombe County, North Carolina. At the end of such twenty (20) year period, the covenants and restrictions contained in these Restrictive Covenants shall be automatically extended for successive periods of ten (10) years each, unless, prior to the expiration of a respective period, there shall be a resolution adopted by the Association to terminate these covenants and restrictions. Such resolution must be approved and passed by a two-thirds (2/3) vote of the Association Members. Nothing contained herein shall limit the right of Declarant to amend and/or supersede, in whole or in part, the terms and provisions hereof, as such right is described below.

SECTION 2. AMENDMENT. These Restrictive Covenants may be amended:

A. Prior to the conveyance of all the Common Elements from Declarant to the Association, by the Declarant, in order to correct any obvious error or inconsistency in drafting, typing or reproduction of these Restrictive Covenants, or to issue rules or regulations which interpret, explain or make more definite and certain provisions hereof and are in furtherance of these Restrictive Covenants, which amendment may be made without the joinder or approval of Lot Owners or the Association; and

B. By the Association by a vote of at least sixty-seven percent (67%) of all votes entitled to be cast by the Association Members, which vote is taken at a duly held meeting of the Association at which a quorum is present, all in accordance with the Bylaws. Provided, however, that if sixty-seven percent (67%) of all votes entitled to be cast by the Association Members cannot be obtained at such a meeting, then these Restrictive Covenants may be amended by obtaining the vote of sixty-seven percent (67%) of all votes present at a duly held meeting of the Association Members at which a quorum is present and by, within ninety (90) days of such vote, obtaining written consent to such amendment by Association Members holding a sufficient number of votes to comprise, along with such voting Association Members, a total of sixty-seven percent (67%) of all votes entitled to be cast by Association Members. Further provided, that any amendment or modification to these Restrictive Covenants must be consented to by the Declarant so long as Declarant is the Owner of any Lot or any portion of the Property, which consent Declarant may grant or withhold in its sole discretion.

Any amendment or modification upon which the vote of Association Members is required pursuant to this Section shall become effective when an instrument executed by the Association Members voting for such amendment or modification is filed of record in the Office of the Register of Deeds of Buncombe County, North Carolina; provided, however, that such an amendment or modification, in lieu of being executed by the Association Members voting for such amendment or modification, may contain a certification of the Secretary of the Association stating that the amendment or modification has been voted on and approved by the requisite number of votes of the Association Members. In addition, Declarant, without obtaining the approval of any Association Member or any Owner or Owners other than Declarant, may make amendments or modifications hereto which are correctional in nature only and do not involve a change which materially affects the rights, duties or obligations specified herein. In addition, Declarant may amend and modify these Restrictive Covenants without the consent or approval of any other person or entity if such amendment or modification is necessary to cause these Restrictive Covenants to comply with the requirements of FHA, VA, the Federal National Mortgage Association or other similar agency.

SECTION 3. SPECIAL DECLARANT RIGHTS. Pursuant to Section 1-103(28) and 2-121 of the Act, the Declarant does hereby reserve the following "special declarant rights":

SECTION 4. ENFORCEMENT. The Association, any Owner or the Declarant shall have the right to enforce, by a proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and

charges now or hereafter imposed by the provisions of these Restrictive Covenants. Failure to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

SECTION 5. SEVERABILITY. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions of these Restrictive Covenants, which shall remain in full force and effect.

SECTION 6. CONSTRUCTION. These Restrictive Covenants is made pursuant to the Act and shall be construed and controlled by and under the laws of the State of North Carolina.

1. the interpretation, application or enforcement of these Restrictive Covenants;
2. rights, obligations and duties of any Party described in these Restrictive Covenants or

4. any suit in which any indispensable party is not bound by this Section; and
5. any suit as to which any applicable statute of limitations would expire within 180 days after giving the Notice required by the alternative dispute resolution procedures, unless the party or parties against whom the claim is made agree to toll the statute of limitations as to such claim for such period as may reasonably necessary to comply with this Section.

If the Claimant does not submit the claim to mediation within such time, or does not appear for the mediation when scheduled, the Claimant shall be deemed to have waived the claim, and the Respondent shall be relieved of any and all liability to Claimant on account of such claim.
