7. PURCHASE PRICE AND BUILDING DEPOSIT.

(a) Purchase Price. The purchase price set forth in Paragraph 1(d) of the Contract includes the purchase price of the Additional Improvements, if any.

(b) Building Deposit. The Building Deposit, if any, referred to in Paragraph 1(d) of the Contract is not an Earnest Money Deposit and will be used by Seller in the construction of the Additional Improvements. The Building Deposit shall be paid to the Seller by cash or immediately available funds such as official bank check or wire transfer no later than the first banking day following the end of the Due Diligence Period and will be credited to the purchase price at Settlement. The Building Deposit shall be refundable only in the event of a material breach of the Contract by Seller or the nonfulfillment of the condition set forth in Paragraph 11 of the Contract. Should the Buyer fail to deliver the Building Deposit in accordance with the terms of this subparagraph, Buyer shall have one (1) banking day after written notice to deliver the Building Deposit to Seller. In the event Buyer does not timely deliver the Building Deposit, Seller shall have the right to terminate this Contract upon written notice to Buyer. Seller and Buyer agree that the "Acknowledgment Of Receipt Of Building Deposit" section below shall not constitute a material part of this Contract, and that the addition or modification of any information therein shall not constitute a rejection of an offer or the creation of a counteroffer.

WARNING: In determining whether and how much Building Deposit Buyer is willing to pay, Buyer should carefully consider that even though Buyer may be legally entitled to a refund of the Building Deposit in the event of a material breach of this Contract by Seller, actual recovery of the Building Deposit may be difficult, time-consuming and/or costly if Seller is unable or unwilling to voluntarily refund the Building Deposit.
