Questions, please call (828) 694-6060.

Comments: HCDPH does not place flags in the field. Well location chosen by owner. Known "Release Contamination" report is attached, should you have any questions regarding this report please visit: <https://ncdenr.maps.arcgis.com/apps/webappviewer/index.html?id=d0cdd2633f224ff8a5419f9ff1b70965>

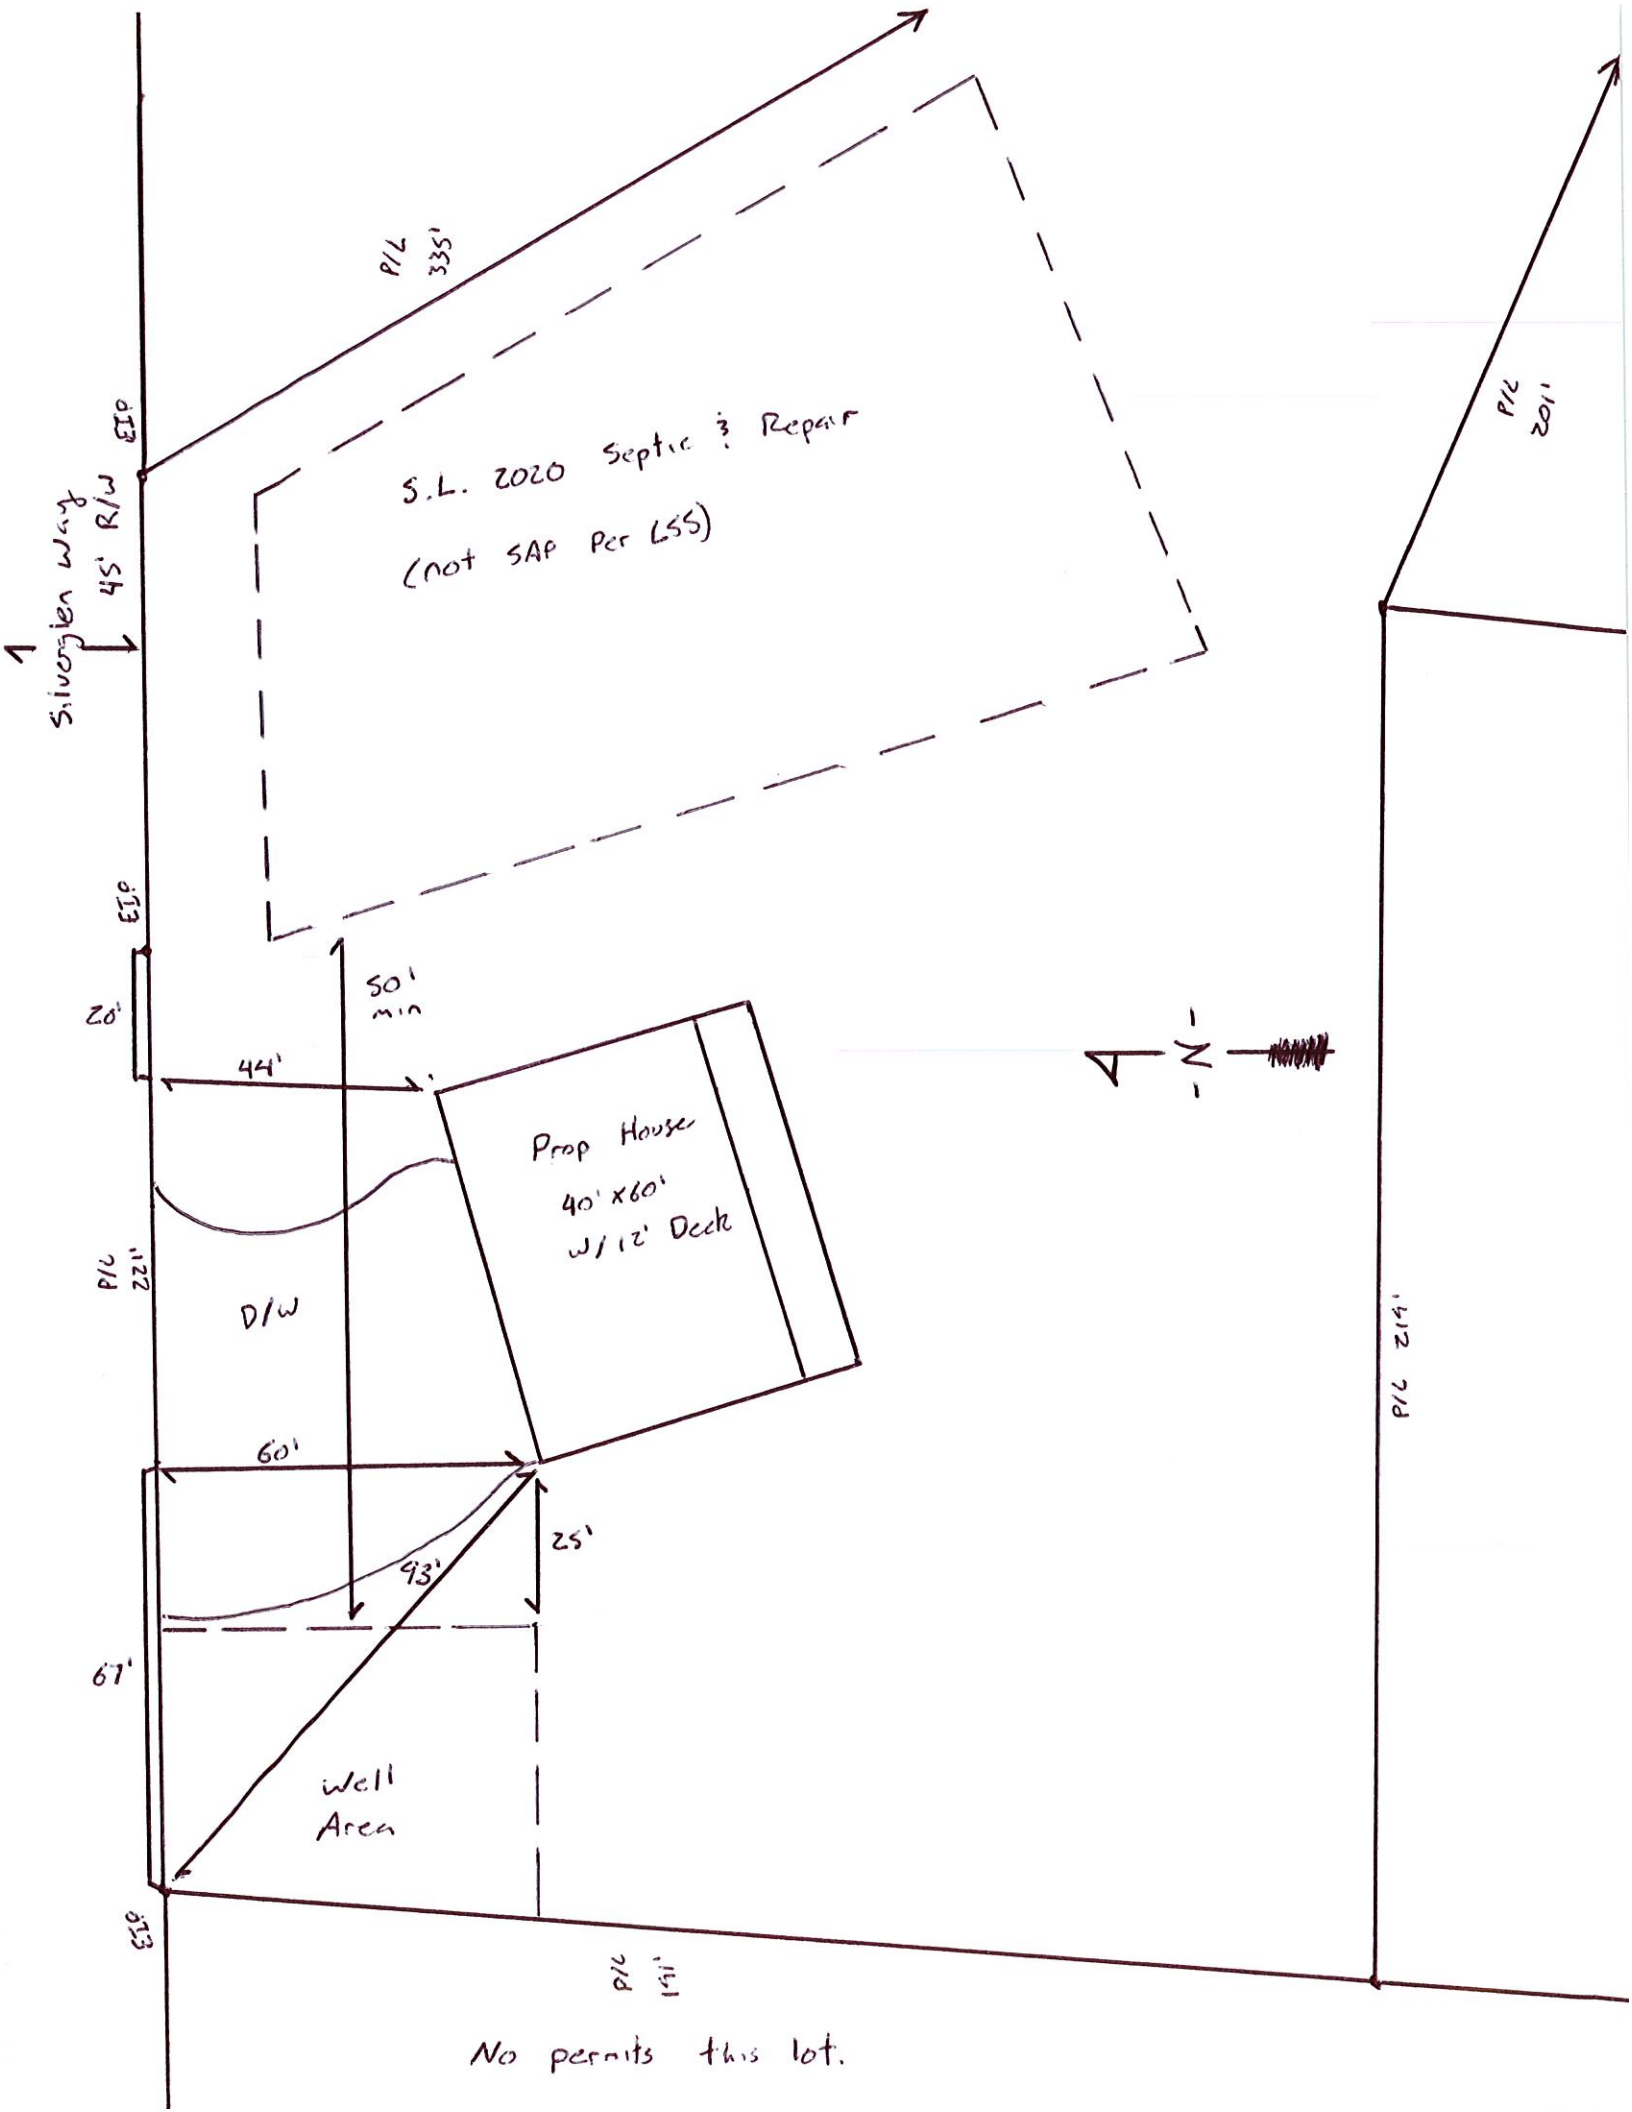

Permit valid for 5 years provided site conditions do not change.

Well location, installation and protection must meet state and local regulations, and must be inspected and approved by a representative of the Henderson County Department of Public Health before any portion of the installation is put into use. The siting of the well by the Health Department staff is to provide protection from known possible sources of contamination. No volume of water is guaranteed at any site by the Health Department.

WELL CANNOT BE LOCATED IN A RIGHT-OF-WAY.

Date Issued 8/30/22 Environmental Health Specialist [Signature]
