which Rules and Regulations may further restrict the use of the Common Elements;

(b) subject to notice and an opportunity for hearing as provided in the Bylaws, the right of the Association to suspend an Owner's voting rights and the right to use any of the Common Elements and facilities related thereto for any period during which any assessment of the Association against that Owner's Lot remains unpaid and for any infraction by an Owner of the Association's Rules and Regulations for the duration of the infraction and for an additional period thereafter not to exceed thirty (30) days;

ARTICLE IV

ASSOCIATION: MEMBERSHIP, ASSESSMENTS AND RESPONSIBILITY

Section 1. Membership in the Association. Every Owner of a Lot shall be a member of the Association and bound by this Declaration, the Articles of Incorporation of the Association and its Bylaws and Rules and Regulations as hereafter promulgated. Membership shall be appurtenant to and may not be separated from ownership of any Lot.

Section 2. Powers of the Association. The Association shall have such powers as are enumerated in its Articles of Incorporation, this Amended Declaration, its Bylaws or as provided in the Act.

Section 3. Creation of the Lien and Personal Obligation Assessments. Each and every Owner of a Lot by acceptance of a deed therefore, whether or not it is so expressed in such deed, is deemed to covenant and agree to pay the Association: (1) annual assessments or charges, and (2) special assessments, such assessments to be established and collected as hereinafter provided and as stated in the Bylaws. All such annual and special assessments, together with interest, costs and reasonable attorney's fees for the collection thereof shall be a charge and lien upon a Lot and its improvements. The amount owed shall be a continuing lien upon the applicable property against which such assessment is made, prior to all other liens except only (i) real estate taxes and other governmental assessments or charges against the Lot and (ii) recorded liens and encumbrances to the extent required by law.

Each such assessment, together with interest, costs, and reasonable attorney's fees for the collection thereof, shall also be a personal financial obligation of the person, or persons, who was, or were, the Lot owner or owners at the time when the assessments became due. The personal financial obligation for delinquent assessments shall not pass to successors in title to any such Lot unless expressly assumed by such purchaser: PROVIDED, HOWEVER, the same shall be and remain a charge and lien upon any such Lot and improvements until paid or otherwise satisfied except as may herein otherwise be provided.

Section 4. Purpose of Assessments. The assessments levied by the Association shall be used for the purposes in keeping with a nonprofit corporation as set forth in the Association's Articles of Incorporation. Specifically, the assessments shall be used to promote the health, safety and welfare of the Owners and residents of Deerlake Village and for the improvements, maintenance and repair of the Common Elements and easements appurtenant thereto (including, but not limited to the easements for the Association's use and benefit along property lines of lots adjacent to sites where fore bays are constructed for the purpose of maintaining and repairing said fore bays, [said easements being fifty (50) feet in width and extending twenty-five (25) feet on each side of the boundary line between Lots 2 and 3, Lots 4 and 5, and Lots 6 and 7 of the Lakeside Lots]. These easements are reserved in the annexation agreement filed in Document Book 221, at pages 717-20), for the protection of the community from pollution or erosion; for the enforcement of this Declaration; the provision of reserve funds, the employment of attorneys, accountants, and other professionals to represent the Association, when necessary, and for payment of local taxes, insurance and special governmental assessments on or to the Common Elements together with payment of services, if any, provided to the residents by the Association.

Section 5. Special Assessments. In addition to the annual assessments authorized above, the Association may levy in accordance with its Bylaws, in any fiscal year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any acquisition, construction, reconstruction, repair or replacement of a capital improvement upon the Common Elements, including, but not limited to, fixtures and personal property (such as road signs) related thereto and to pay special governmental assessments. The Association is also authorized to levy a special assessment against any member to reimburse the Association for costs incurred in bringing a member and his/her Lot into compliance with the provisions of this Declaration, any amendments thereto, the Articles, Bylaws and Association's Rules and Regulations. The special assessment against a member may be levied by a majority vote of the Board after notice to the member and an opportunity for a hearing as provided in the Bylaws.

Section 6. Rate of Assessment. The determination of the total amount of Common Expenses for any given fiscal year of the Association shall be within the sole discretion of the Board. The Board shall allocate assessments for Common Expenses in such amounts to be fixed from year to year. For purposes of N.C. Gen. Stat. §47F-3-115(b), the reference to "allocations set forth in the declaration" for Common Expense assessments shall mean the allocations assigned to each Lot as established in the annual budget adopted by the Board for each fiscal year of the Association. **BY ACCEPTING A DEED FOR A LOT IN DEERLAKE VILLAGE, A PURCHASER IS ACKNOWLEDGING HIS OR HER UNDERSTANDING IN THIS DECLARATION OF THE STANDARD BY WHICH TO MEASURE A MEMBER'S ASSESSMENT LIABILITY AND THE PURPOSES FOR SAID ASSESSMENTS.**

Section 7. Effect of Nonpayment of Assessments. Any assessments which are not paid when due as determined by this Declaration and the Board shall be delinquent. If the assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of the delinquency at the rate of eighteen percent (18%) per annum, and the Association may bring action at law against the Owner personally obligated to pay the same, or foreclose the lien against his/her property, and interest, costs and reasonable attorney's fees of any such action for collection thereof shall be added to the amount of such assessment. Each such Owner, by his/her acceptance of a deed to a Lot, hereby expressly vests in the Association, or its agents, the right and power to bring all actions against such Owner personally for the collection of such charges and liens as a debt and to enforce the aforesaid charge and lien by methods available for the enforcement of such liens. The available enforcement remedies include, but are not limited to, those rights stated under the Act. The lien provided for in this Section shall be in favor of the Association and shall be for the benefit of all members of the Association. The Association, acting on behalf of its members, shall have the power to bid in an interest foreclosed at foreclosure sale and to acquire and hold, lease, mortgage and convey the same, and to subrogate so much of its right to such liens as may be necessary or expedient. No owner of a Lot may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Elements or abandonment of his/her Lot. After notice and opportunity to be heard as provided in the Bylaws, the Association may restrict the use of Common Elements by a Lot owner who is delinquent in paying assessments.

The omission or failure of the Board to fix any of the above assessments or rates or to deliver or mail to each Owner any assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments.

The remedies given herein are distinct, cumulative remedies and the exercise of any of them shall not be deemed to exclude the rights of the Association to exercise any or all of the others or those which may be permitted by law or equity. The failure to fix or levy any of the above assessments or to enforce any rights, restrictions or conditions contained herein, however long continued, shall not be deemed a waiver of the Association's right to do so thereafter.

Section 8. Association Responsibility of Maintenance/Repair/Improvement. The Association and its members shall be responsible for the maintenance, repair and improvement of all Common Elements in accordance with the Community-Wide Standard; provided, however, in any given fiscal year, the Board shall have the discretion to vary from such standard based on the availability of Association funds, including any reserve funds.

Section 9. Owner Responsibility. If the Board determines that (i) any Owner has failed or refused to discharge properly his or her obligation with regard to the maintenance, repair, or replacement of items for which he or she is responsible hereunder; or (ii) that the need for maintenance, repair, or replacement which is in the Common Elements is caused through the willful or negligent act of any owner, his or her family, guests, lessees, or invitees, and it is not covered or paid by insurance, in whole or in part, then the Association may, but is not obligated to, provide such maintenance, repair or replacement at the Owner's sole cost and expense. Such costs shall be added to and become a part of the assessment to which such Owner is subject and shall become a lien against the applicable Lot, as provided above. Except in an emergency situation, the Association shall give the Owner written notice of the Association's intent to provide necessary maintenance, repair, or replacement at Owner's cost and expense. The notice shall specify the maintenance, repair, or replacement deemed necessary by the

Board. In the case of (i) above where the Owner has not discharged his or her responsibility, unless the Board of Directors determines that an emergency exists, the Owner shall have ten (10) days after receipt of notice within which to complete maintenance or repair, or if the maintenance or repair is not capable of completion within such time period, to commence replacement or repair within ten (10) days. If the Board determines that an emergency exists, or that an Owner has not complied with the demand given by the Association as herein provided, or that the need for maintenance or repair is in the Common Elements as in (ii) above, then the Association may, but is not obligated to provide any such maintenance, repair, or replacement in the manner described above. The Association or its agents or employees shall have a right of entry upon or into a Lot, Structure or Common Element as necessary to perform such work and shall not be liable for trespass for such entry or work.

Section 10. Reserve Funds and Surplus Funds. The Board shall have the right, but not the obligation, within its sole discretion, to impose assessments on Lot owners for the maintenance of reserve funds. The Board, within its sole discretion, may apply surplus funds to any reserve account established in the annual budget or may credit such funds to its members as provided for in North Carolina General Statutes §47F-3-114.

Section 11. Architectural Review Fees; Impact Fees; Cash Bonds. The Board shall have the right, but not the obligation, within its sole discretion, to impose a uniform schedule of fees to be applied to any Owner of a Lot at the time that Owner applies for approval to construct, modify or alter a residence on the Lot to offset the costs of architectural review and to mitigate the effect that Owner's development plans will have on the infrastructure and environment within Deerlake Village. These fees may take the form of Architectural Review fees and/or Impact fees and any such fees may be non-refundable at the sole discretion of the Board. The Board shall also have the right to require a Cash Bond as a condition of Association approval of any construction, alteration or modification of a structure on a Lot.

Section 12. Capitalization of Association. Upon acquisition of record title to a Lot from Greenwood Development Corporation or for any new Lot made subject to this Declaration as determined by the Board, each Owner shall contribute to the capital of the Association an amount of \$500.

Section 13. Services. The Association may obtain and pay for the services of any person or entity to manage its affairs or any part thereof, to the extent it deems advisable, as well as such other personnel as the Association shall determine to be necessary or desirable for the proper operation of the Properties, whether such personnel are furnished or employed directly by the Association or by any person or entity with whom or with which it contracts. The Association may obtain and pay for legal and accounting services necessary or desirable in connection with the operation of the Properties or the enforcement of this Declaration.

Section 14. Contracts with Other Associations or Non-members. The Board shall have the authority to contract with any and all parties for the use of the Common Elements and the maintenance, operation, management, repair and/or improvement of the Common Elements (hereinafter "Work") pursuant to such terms and conditions that are determined in the discretion of the Board, including, but not limited to, joining with other associations in contracting for the Work or performing such work on property outside Deerlake Village, the upkeep and improvement of which is beneficial to the interests of the members of the Association. The Association, acting through the Board, is hereby authorized to enter into such agreements, including without limitation a management agreement, as it may deem necessary or desirable for the administration, management, operation and maintenance of the Common Elements. Each Owner, by acquiring or holding an interest in any Lot, and each occupant of a Lot by said

occupancy, thereby agrees to be bound by the terms and conditions of such agreements referenced in this subsection entered into by the Board on behalf of the Association. A copy of such written agreements shall be made available for review by each member of the Association.

Section 15. Implied Rights. The Association may exercise any other right or privilege given to it expressly by the Act, this Declaration or the Bylaws, and every other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege.

ARTICLE V SITE IMPROVEMENT REVIEW AND APPROVAL

Section 1. Construction or Site Work Within Deerlake Village. No structure shall be commenced, erected or maintained upon any Lot in Deerlake Village; nor shall any exterior addition to any existing structure or change or alteration therein, nor shall any site work be done until complete final plans and specifications showing the nature, kind, shape, height, materials, basic exterior finishes and colors, location, and floor plan therefore, and showing front, side and rear elevations thereof, have been submitted to and approved in writing by the Architecture Review Committee (hereinafter "ARC") or the Landscape Review Committee (hereinafter "LRC") in accordance with the process, procedures and requirements established for each such committee in the Rules and Regulations adopted by the Board. The Board may delegate to the ARC and/or LRC the responsibility for determining the procedures for the review and approval of work governed by this Article and falling within their respective jurisdictions. Any such procedures adopted by the ARC and/or LRC shall become part of the Rules and Regulations.

The Owner of a Lot shall insure that all development performed by said Owner conforms to this Declaration, the Rules and Regulations and all applicable federal, state and local laws and regulations.

Section 2. Approval of Plans. The refusal or approval of plans, specifications, or location of any structure by ARC or LRC may be based upon any grounds including purely aesthetic considerations which at the sole discretion of said committees, for projects within Deerlake Village, shall be deemed sufficient. In passing upon construction plans, specification plans, or landscaping plans, and without any limitation of the foregoing, the ARC or LRC shall have the right to take into account any number of factors, including, but not limited to, consideration of the suitability of the proposed building or other structure, and of the materials of which it is to be built, the site upon which it is proposed to be erected, the harmony thereof with the surroundings and the effect of the building or other structure on the appearance from neighboring property. Notwithstanding that improvements meet or exceed specified minimum size requirements, the quality and attractiveness of every structure must also meet high neighborhood standards and these two committees are hereby granted broad discretion in judging the compatibility of proposed structures and improvements for Deerlake Village.

Section 3. Waiver. The approval by the ARC or LRC of any plans, drawings or specifications for any work done or proposed, or for any other matter requiring the approval of any of said committees, shall not be deemed to constitute a waiver of any right to withhold approval of any similar plan, drawing, specifications or matter subsequently submitted for approval.

Section 4. Liability. Neither the ARC or LRC nor any member thereof shall be liable to the Association, any Owner, or to any other party, for any damage, loss or prejudice suffered or claimed on account of:

(a) The approval or disapproval of any plans, drawings, specifications, whether or not defective.

(b) The construction or performance of any work, whether or not pursuant to approved plans, drawings and specifications; or

(c) The development of any property, including, but not limited to, defective construction of residences.

Section 5. Appeal of Committee Decisions. Any party aggrieved by a decision of the ARC or LRC may appeal such decision to the Board, and such decision of the appropriate committee is final, unless overridden by a vote of two-thirds of the Board. No Owner or any other party shall have recourse against any such committee or the Board for its refusal to approve any plans or specifications.

ARTICLE VI USE RESTRICTIONS

The following use restrictions shall apply to all property within Deerlake Village:

Section 1. Single-family Residential Purposes; Principal Building; Accessory Structures. All Lots shall be used for single-family residential purposes only. No lot or structure may be subdivided or owned in such a manner as to permit time sharing, fractional ownership or other "devices" to effect interval ownership. No more than one principal building shall be permitted on any Lot. Accessory structures shall not be permitted except in accordance with the Rules and Regulations.

Section 2. Subdividing, Combination and Boundary Relocation. The subdivision of a lot shall not be for the purpose of, nor result in, the creation of an additional building lot, unless expressly permitted in the deed. No subdivision, combination or boundary relocation shall be made without the written approval of the Board. Following the combination of two Lots into one larger Lot, only the exterior boundary lines of the resulting larger Lot shall be considered in the interpretation of this Declaration. Once combined, the resulting larger Lot may be subdivided only to the originally platted lots with the consent of the Board. The Board, in its sole discretion, shall determine what effect, if any, the combination or subdivision of a platted Lot has on the assessments for that modified Lot.

Section 3. Business or Commercial Use. Except for home occupations as defined below, no commercial or industrial enterprise, undertaking or use is permitted within Deerlake Village. Notwithstanding the above, a "home occupation" on a Lot is allowed with the written consent of the Board subject to the terms and conditions contained within the Rules and Regulations. A "home occupation" is a use of a residence by an Owner-occupant wherein not more than 25% of the residence is dedicated to business use and there is no traffic, noise or odor generated by the business.

Section 4. Temporary Structures and Mobile Homes No structure of a temporary character shall be placed upon any portion of Deerlake Village at any time; provided, however, that this prohibition shall not apply to shelters used by contractors during the construction of any single family residence. Basements or partially complete single-family residences will be

considered temporary and may not be inhabited. Mobile homes, trailers, recreational vehicles, and tents, may not, at any time, be used as temporary or permanent residences or be permitted to remain visible on any portion of Deerlake Village after completion of construction thereon as herein above provided.

Section 5. Exterior Construction. The exterior of a single-family residence on a Lot as well as site work and landscaping must be completed within one (1) year after the construction of same shall have commenced, except where such completion is impossible or would result in great hardship to the Owner of a Lot due to strikes, fire, natural emergencies or natural calamities. Single family residences may not be occupied until a Certificate of Occupancy has been issued by Transylvania County. If the exterior is not completed within one (1) year, the Board may require a responsible Lot owner to pay the Association up to the sum of one hundred dollars (\$100.00) in liquidated damages for each day after 1 year that the exterior is not completed.

Section 6. Trees. No living tree or shrubs which form a hedge along a community sidewalk may be removed without the written approval of the LRC in accordance with the Rules and Regulations. Notwithstanding the above, any tree which poses an immediate threat to life or property may be removed without the written consent of the LRC. Following an emergency tree removal, the owner must notify the LRC of the action. Should a party remove any tree or hedge as herein provided without the above-described written approval, the Board may fine a party up to the sum of one hundred dollars (\$100.00) for every tree cut without permission, and thereafter one hundred dollars (\$100.00) per tree for each day that a replacement plan acceptable to the LRC or Board is not completed. In addition to the above remedies, the Association and its agents may enter the property to replace the removed tree or hedge and charge the violating owner the costs of such replacement.

Section 7. Duty to Maintain and Rebuild.

(a) Each Owner shall, at his or her sole cost and expense, maintain and repair his or her residence, keeping the same condition comparable to the condition of such residence at the time of its initial construction, excepting only normal wear and tear.

(b) Each Owner shall keep the grass on the lot properly cut, shall keep the lot free from trash, and shall keep it otherwise neat and attractive in appearance. This shall not be construed as requiring natural areas on a Lot to be mowed.

(c) If all or any portion of a residence is damaged or destroyed by fire, or other casualty, then the Owner shall, with all due diligence, promptly rebuild, repair or reconstruct such apparent condition existing immediately prior to the casualty. Alternatively, the Lot owner shall completely raze the residence and sod or seed the entire Lot until such time construction of a new residence is begun.

Section 8. Trash. No Lot shall be used or maintained as a dumping ground or disposal site for rubbish, trash, or garbage. Trash, garbage or other waste shall not be kept except in sanitary containers and should not be permitted to remain visible for an unreasonable length of time. This restriction shall not apply during the period of construction of a residence on the Lot, however, upon completion of construction the owner shall comply with all restrictions with respect to disposal of trash and maintenance of the Lot and property in a neat and attractive manner.

Section 9. Lot Upkeep. It is the responsibility of each Lot Owner to prevent any unclean, unsightly, or unkempt condition of buildings or grounds to exist on the Lot Owner's property. The Association shall have the right, but not the duty, to enter upon any property for

the purpose of abating any unclean, unsightly or unkempt condition of buildings or grounds which tend to decrease the beauty of the specific area or the neighborhood as a whole. The cost of such abatement and any damage resulting from such entry shall be at the expense of the specific Lot Owner and said entry shall not be deemed a trespass.

In addition to the foregoing, upon an owner's failure to comply with any of the covenants, conditions, and restrictions herein provided relating to the use or maintenance of such Owner's Lot or residential unit, where such owner's failure to comply has continued for ten (10) days after being notified of such failure and being provided an opportunity to be heard concerning such failure, the Association may enter upon such owner's lot or residential unit and perform whatever maintenance or other measures are reasonably necessary to cure such failure to comply provided that the entering party shall be responsible to repair any damage caused by the result of the entry; provided further, however, in the event such failure to comply poses a health, safety, or security risk, no prior notice or hearing need be given. In either event, such owner shall be responsible for the actual costs incurred in taking such curative measures. The cost thereof shall be an assessment, and the Association shall have a lien therefore in the same manner as assessment liens set out in Article IV above.

Section 10. Utilities; Antennae; Wireless Communication. All utilities, wires, cables, antennae and the like, of any kind (such as telephone, electrical, television, radio and citizens band radios) must be placed underground except as may be expressly permitted in the Rules and Regulations. No external wireless communication towers or antennae shall be permitted within Deerlake Village.

Section 11. Vehicle Parking The Board shall have the power through its Rules and Regulations to restrict vehicle parking or storage on any Lot and roadway within Deerlake Village.

Section 12. Nuisances. No obnoxious or offensive activity shall be carried on upon any portions of Deerlake Village nor shall anything be done tending to cause embarrassment, discomfort, annoyance or nuisance to any Owner of a Lot, tenant or guest thereof in any area of Deerlake Village thereby diminishing the enjoyment of other Lots by their owners. No hazardous or toxic substances or wastes as defined by applicable law shall be dumped within Deerlake Village. No plant, animal, device or thing of any sort whose normal activities or existence is in any way noxious, dangerous, unsightly, unpleasant, or of a nature as may diminish or destroy the enjoyment of any portion of Deerlake Village by the Lot owners, tenants, and guests thereof, may be maintained. The Board has the right in its sole discretion to determine a nuisance, and upon ten (10) days' written notification by the Board, the activity must cease.

Section 13. Erosion Control. The Association shall have the right to protect any Lot from erosion, by planting trees, plants, and shrubs to the extent necessary. Alternatively, erosion control by mechanical means such as providing drainage ways and/or dams or other means deemed necessary by the Association may be implemented. The Association, however, is under no obligation to take such actions as herein above provided.

During the improvement of any Lot, every Owner of a Lot shall use best management practices as that term is defined by applicable State of North Carolina environmental regulations to control erosion and prevent off-site damages so long as one-fourth (1/4) acre of land is disturbed. The Committee may require any Lot owner disturbing more than one-fourth (1/4) acre of land to submit for Committee approval an erosion control and drainage plan, and therein require that such plan be signed off by a licensed Engineer. In order to implement effective and adequate erosion control and protect the beauty and purity of the water courses within Deerlake

Village, the Association and its agents shall have the right, but not the obligation, to enter any Lot for the purpose of correcting or remedying any erosion control violations. Any costs of remediation attributable to a Lot Owner's failure to comply with best management practices in erosion control incurred by the Association shall be the responsibility of the Lot Owner.

Section 14. Fires. No outdoor fire shall be built within Deerlake Village. No leaves, trash, garbage or similar debris shall be burned. Outdoor grills and fireplaces shall be used with the greatest of care in view of fire and smoke hazards and general pollution.

Section 15. Signs. No sign for advertising or for any other purpose shall be displayed on any Lot or on a building or a structure on any Lot, except the Board approved real estate for sale sign or temporary construction signs not greater than nine (9) square feet in size. This restriction shall not prohibit placement of occupant name signs and Lot numbers. Notwithstanding the above, the Board may require an owner of a Lot to install, at Owner's expenses, and at a location designated by the Board, common address signage for easy identification for emergency services.

Section 16. Water Courses. No lake shall be constructed, neither shall the course of any stream be changed, nor any culverts installed in any stream without prior written approval of the Board. An Owner of a Lot shall maintain no less than a twenty five (25) foot undisturbed buffer (or greater if indicated on plats for the Lot) from all watercourses within Deerlake Village unless a detailed grading plan is approved by the ARC or LRC and the Owner has provided to the ARC or LRC written confirmation of compliance from all Governmental Entities with jurisdiction over such project.

Section 17. Storage Tanks. Underground gasoline storage tanks are not permitted within Deerlake Village. Underground propane or liquid gas tanks and above ground storage tanks may be allowed by the ARC or LRC subject to the Rules and Regulations.

Section 18. Animals. No animal, livestock or poultry of any kind shall be raised, bred or kept on any Lot, except that dogs, cats or other commonly domesticated household pets may be kept, provided that they are not bred, maintained or housed (i.e. kennels) for commercial purposes. Pets, when running loose, must be kept strictly within the boundaries of a Lot Owner's property. At all other times, they must be kept securely on a leash. No pets are permitted if they are kept so as to constitute a nuisance as determined by the Board in their sole discretion.

Section 19. Hunting and Firearms. Hunting or trapping by individuals, or the harassing of animals, fowl or game is prohibited, and the discharge of firearms or bows or arrows for any purpose shall be prohibited.

Section 20. Fishing. Fishing rules are to be governed by the State of North Carolina and rules as circulated to the owners of Lots by the Board. Fishing shall also be governed by the Rules and Regulations.

Section 21. Trespass. Whenever the Association is permitted by these covenants to correct, repair, clean, preserve, clean out or do any action on any portion of Deerlake Village, including Lots, entering such areas and taking such action shall not be deemed a trespass on the part of the Association. In addition to any other remedies provided for herein, the Association or its duly authorized agent shall have the power to enter upon a lot or any other portion of the Property to abate or remove, using such force as may be reasonably necessary, any erection, thing or condition which violates this Declaration, the Bylaws, or the Rules and Regulations. Unless an emergency situation exists, the Board shall give the violating lot owner ten (10) days' written notice of its intent to exercise self-help. All costs of self-help, including reasonable attorney's fees actually incurred, shall be assessed against the violating lot owner and shall be collected as provided for herein for the collection

of assessments. The Association shall have the right, in addition to and not in limitation of all the rights it may have, to enter into lots for emergency, security, or safety purposes, which right may be exercised by the Association's Board of Directors, officers, agents, employees, managers, and all police officers, firefighters, ambulance personnel, and similar emergency personnel in the performance of their respective duties. Except in an emergency situation, entry shall only be during reasonable hours and after reasonable notice to the owner or occupant of the Lot.

Section 22. Septic Systems. Septic tanks, drain and repair fields are prohibited on a Lot.

Section 23. Enforcement.

(a) All covenants, restrictions and affirmative obligations set forth herein shall run with the land and shall be binding on all parties and persons claiming under them.

(b) Enforcement of these covenants and restrictions shall be by any proceeding at law or equity against any person or persons violating or attempting to violate or circumvent any covenant or restriction, either to restrain or enjoin violations, or to recover damages, or in addition to the lien enforcement rights set out in the Act, by any appropriate proceeding at law or equity against the land to enforce any lien created by these covenants. The remedies given herein are distinct, cumulative remedies and the exercise of any of them shall not be deemed to exclude the rights of Association to exercise any or all of the others or those which may be permitted by law or equity. The failure to enforce any rights, restrictions or conditions contained herein, however long continued, shall not be deemed a waiver of this right to do so hereafter as to the same breach, or as to a breach occurring prior to or subsequent thereto and shall not bear or affect its enforcement. Any person entitled to file a legal action for violation of these covenants shall be entitled as part of any judgment in favor of the filing party to recover reasonable attorney's fees as a part of such action.

Section 24. Responsibility for Others. Owners of a Lot are obligated to assume the responsibility that any and all dependents, guests, servants, visitors and building contractors working for the Lot Owner observe and maintain all the rules, regulations, covenants and restrictions binding the Lot Owners themselves.

Section 25. Leasing or Renting. A Lot Owner may lease or rent the family residence owned by such Owner; provided, however, that the tenant or lessee shall be bound by all covenants and restrictions contained herein. All leases shall have a minimum term of six (6) months. At no time may a Lot Owner lease or rent a portion of the family dwelling unit unless the entire family dwelling unit is leased or rented. Every lessee or tenant shall in all respects be subject to the terms and conditions of this Declaration, the Bylaws, and the Rules and Regulations adopted hereunder. In the event of noncompliance by the tenant or his/her guests, all costs associated therewith, including fines and legal fees, will be assessed against the owner and the owner's property.

Section 26. Variances. In case of hardship and for good cause shown, the Board may in their sole discretion grant variances from any of these covenants and restrictions. The decision of the Board to grant or not grant variances as herein provided is based upon the Board's sole and absolute discretion.

Section 27. Rules and Regulations. Each Owner and/or occupant of a Lot shall comply with the Rules and Regulations established by the Board or, for procedural matters, which may be adopted by the review committees referred to in Article V above. To the extent of any conflict between this Declaration and the Rules and Regulations, the most restrictive provision shall control. Each Lot owner is encouraged to obtain a copy of the Rules and

Regulations from the Association Secretary for easy reference as to matters pertaining to the use and enjoyment of property within Deerlake Village.

Section 28. Access Way. No driveway, road or access way may be constructed across any Lot to provide access to an adjacent property without the written consent of the Board

Section 29. Common Driveways. Where easements across lots have been granted for common driveways or private roads, DVCA has no responsibility for maintaining same except when covered by a separate written agreement. DVCA has no liability for such common driveways.

Section 30. Irrigation. No sprinkler or irrigation systems of any type which draw upon water from creeks, streams or the lake within Deerlake Village shall be installed or operated unless prior written approval has been received from the Board of Directors or its designee.
